

The background of the slide features abstract, overlapping green geometric shapes, primarily triangles and polygons, in various shades of green, creating a modern and dynamic design.

► Pre-Intermediate Level: Vocabulary and Expressions

1. **Ambitious:** طَمَوح You have big goals for the future. Having a strong desire and determination to succeed, achieve great things, or reach a high position in the future.
2. **Reliable:** جَدِير بِالثِّقَةِ_مَوْثُوق People can trust you to do what you say. Someone who is consistently good in quality or performance; a person who can be trusted to follow through on their promises.
3. **Generous:** You like giving your time or money to others. Showing a readiness to give more of something—especially money, time, or kindness—than is strictly necessary or expected.

1. **Stubborn:** عَنِيد You refuse to change your mind. Being **doggedly** determined not to change one's attitude or position on something, even when there are good reasons to do so.

Doggedly: is the perfect way to describe a stubborn person because it paints a vivid picture of a dog that has caught a scent رائحة or a bone and refuses to let go, no matter what.

1. **Easy-going:** سَهْل التَّعَامُلِ مَرِن You are relaxed and don't worry often. Having a relaxed, tolerant approach to life; someone who is not easily upset, annoyed, or worried by stressful situations.

- ▶ Ahmed and Mariem are both very positive people, but they have different personalities. Ahmed is an **ambitious** person because he has big goals for his future career, and he is also very **reliable** since his friends always trust him to do what he says. Additionally, he is **generous** and enjoys giving his time to help others with their problems. However, Ahmed can be a little **stubborn** sometimes because he refuses to change his mind once he makes a decision.

- ▶ In contrast, Mariem has a more relaxed personality and is very **easy-going**. She does not worry often and prefers to stay calm in difficult situations. Like Ahmed, she is a **generous** and **reliable** friend who is always there when people need her. While Ahmed is very focused on his big goals, Mariem is happy to enjoy life as it comes. Overall, they are both great people, but Ahmed is more **determined** while Mariem is more **peaceful**.

- The idiom the life of the party describes a person who is
- 1) the center of attention in social situations
 - 2) because they are energetic,
 - 3) funny,
 - 4) and very sociable.

1. روح الحفلة

2. فاكهة المجالس

3. شخص اجتماعي جداً

► Her sister is **reliable**. If she promises to do something, she will certainly do it. Everybody believes her because she respects her word.

► **Quick Task:** generous, stubborn, easy-going, ...

► Positive Traits

1. **Gregarious:** /grɪ'geə.ri.əs/ اجتماعي Fond of company; sociable. Use this for the **person who is always the life of the party**. It's more than just "friendly." A gregarious person feels energized by crowds. If they are in a room alone for too long, they lose their **spark**. They are the "connectors" of a group.
2. **Conscientious:** /ˌkɒn.jɪ'en.jəs/ حي الضمير_مُتفانٍ Wishing to do what is right, especially to do one's work or duty well and thoroughly.
3. **Resilient:** صامد _ مرّن Able to withstand or recover quickly from difficult conditions. In physics, resilience is the ability of a material to spring back into shape. In people, it's the "bounce-back" factor. It's not about never failing; it's about how fast you get back up after a crisis.

1. **Affable:** أُنَيْسٌ _ دَمِثٌ Friendly, good-natured, or easy to talk to. While *gregarious* is about high energy, *affable* is about warmth and ease. An affable person is someone you feel comfortable approaching with a problem. They have a "kind face" and a gentle manner.

2. **Pragmatic:** Dealing with things sensibly and realistically in a way that is based on practical rather than theoretical considerations. They look at the tools they have and the time available and make the most logical choice for the moment.

- ▶ Ahmed and Mariem have very different ways of working and interacting with others. Ahmed is extremely **gregarious**; that is to say, he is always the life of the party and loves being around people. Because he is so **affable**, he is very easy to talk to, and he makes friends wherever he goes. However, when things get difficult at work, Ahmed stays **resilient** and recovers quickly from any problems he faces. To be more precise, He prefers to be **pragmatic** by dealing with challenges in a sensible and realistic way rather than just thinking about theories.

- ▶ On the other hand, Mariem is a very **conscientious** person; she always wishes to do what is right and completes her duties thoroughly. While she is **affable** and **friendly** like Ahmed, she is much less **gregarious** and prefers quiet work to loud parties. She is also very **pragmatic**, which helps her stay focused on practical solutions. In other words, she knows that she needs to be **resilient** during tough times. Together, they make a great team because Ahmed brings the energy while Mariem ensures that every detail of their work is done perfectly.

- ▶ Their daughter seems **conscientious**; she criticises her brothers for every tiny detail. She is obsessed of perfection. Her brothers are getting mad at her, and they asked her to stay away from their things.
- ▶ **Quick task**: do the same with one of the previous words

► Negative or Challenging Traits

1. **Abrasive:** غليظ القلب_فَطّ Showing little concern for the feelings of others; harsh.
2. **Aloof:** مُتَغَطِّرس _مُتَحَفِّظ Not friendly or forthcoming; cool and distant.
3. **Capricious:** /kə'prɪʃ.əs/ متقلب المزاج To be capricious is to be unpredictable. It's often used to describe someone who makes sudden, unaccountable changes in mood or behavior. Think of it like the weather—one minute sunny, the next a thunderstorm, for no obvious reason. While it can sound poetic, in a professional sense, it usually implies someone who is difficult to rely on.

1. **Cynical:** Believing that people are motivated by self-interest; distrustful of human sincerity. **مصلحي**
2. **Quick task:** choose one word and talk about one of your relatives.
3. **متقلب المزاج** capricious

- ▶ Leo is a very **gregarious** person who is always the life of the party, yet his work performance can be inconsistent because he is quite **capricious**. He is incredibly **affable** and easy to talk to, but he often approaches problems with a **cynical** attitude because he distrusts the sincerity of others. Although he can be **abrasive** and harsh when he is stressed, he is also remarkably **resilient** and recovers quickly from any difficult conditions he faces.

- ▶ In contrast, Sarah is a **conscientious** employee who always works thoroughly to complete her duties well. While she may seem **aloof** or **distant** at first, she is actually very **pragmatic** and prefers to deal with things sensibly based on practical facts. Furthermore, she is never **capricious** like Leo; instead, she remains steady and focused on her goals. Ultimately, Leo's **gregarious** nature makes him great for networking, whereas Sarah's **conscientious** and **pragmatic** approach ensures that every project is finished perfectly.

- ▶ **Describing Feelings (The "How")**
- ▶ Feelings are often fleeting and tied to specific events. To better understand how these emotions relate to one another, it helps to look at the **Wheel of Emotions**, which categorizes complex feelings into primary "spokes."
- ▶ عابر أو خاطف أو سريع الزوال fleeting

- ▶ apprehenssion توجس أو خوف
- ▶ pensiveness التأمل أو الغرق في التفكير

► High Energy / Intense

1. **Exhilarated:** مَبْتَهَج Feeling very happy, animated, or elated (often after an achievement or thrill).
2. **Apprehensive:** قلق_مُتَوَجِّس Anxious or fearful that something bad or unpleasant will happen.
3. **Indignant:** مُغْتَاط_سَاخَط Feeling or showing anger or annoyance at what is perceived as unfair treatment.

1. **Pensive** (غارق في التفكير / متأمل): Engaged in, involving, or reflecting deep or serious thought.
2. **Melancholy** (كآبة / حزن): A feeling of pensive sadness, typically with no obvious cause.
3. **Complacent** (متهاون / راضٍ عن نفسه): Showing **smug** or uncritical satisfaction with oneself or one's achievements.

- ▶ **Feelings: Level Up Your Vocabulary**
- ▶ Stop saying 'very tired' or 'very happy'. Use these **Strong Adjectives** instead:

1. **Exhausted**: (adj) Much stronger than "tired."
2. **Thrilled**: (adj) Extremely happy or excited.
3. **Confused**: (adj) When you don't understand something.
4. **Frustrated**: (adj) Feeling annoyed because you cannot achieve what you want.

► **Adjectives ending in -ed: Describe a feeling (how the person feels).**

1. *Example:* I am **bored**. (The feeling inside me).
2. Students are **surprised** by the results of this semester.

► **Adjectives ending in -ing: Describe the cause (the thing or person making you feel that way).**

1. *Example:* This book is **boring**. (The book is the cause).
2. The results of this semester are **surprising**.

Consider the following:

1. I watched a documentary about space. It was very ~~interested~~ / interesting.
2. I studied for 6 hours. Now I am ~~exhausted~~ / ~~exhausting~~.
3. The directions were not clear. I am so ~~confused~~ / ~~confusing~~.
4. Meeting a famous person is ~~thrilled~~ / thrilling.

► Expressions for "I Love It When..."

When you really enjoy a specific situation, you can use these phrases to sound more natural:

1. I'm a big fan of the moment when everything is alright.
2. I find it [adjective] when ... : I find it **relaxing** when it rains outside.
3. There's nothing better than the moment when you finish a difficult task.
4. It makes my day when a stranger gives me a compliment.

► **Expressions for "I Hate It When..."**

1. Instead of just saying "I hate," try these expressions to show different levels of frustration:
2. **It really drives me crazy when...** (for things that are very annoying.)
3. **I can't stand it when...** (for things you find difficult to tolerate.)
4. **It's so frustrating when...** (when something prevents you from doing what you want.)
5. **It gets on my nerves when...** (Use this for small, repeated annoyances.)

► Sentence Builders

you can use "It" + "Adjective" + "to/when" to explain your feelings clearly:

1. **I find it confusing** to read long instructions.
2. **I think it's exhausting** when I have too many meetings.
3. **I feel embarrassed** when I make a mistake in English.

► Common Things people often hate

1. ...when people talk loudly on their phones in public.
2. ...when I'm stuck in a traffic jam.
3. ...when my computer starts an update right when I need to work.

Work expressions

► The "It" Factor

► The Positive Pattern: I love/like/enjoy it when...

1. Example: I love it when the coffee machine is actually full.
2. She likes it when her subordinates obey all her illegal orders.

► The Negative Pattern: I hate it / It gets on my nerves when...

1. Example: It gets on my nerves when the Wi-Fi is slow.
2. Farid hates it when his boss calls him 'gentlemen' in front of his colleagues.

Adjective

Example Sentence

Interesting

I find it interesting to analyze the monthly data.

Difficult

I find it difficult to concentrate in an open office.

Satisfying

I find it satisfying to clear my inbox by Friday.

Rewarding

I find it rewarding to help new teammates.

- ▶ To 'get on someone's nerves' means to irritate them. It's more natural than saying 'it makes me angry' in a work context.
- ▶ **Common Scenarios:**
 - ▶ It gets on my nerves when someone takes the last pen.
 - ▶ It gets on my nerves when people are late for the Zoom call.
 - ▶ It gets on my nerves when the printer jams right before a meeting.

► **Objective:** Fluency and personalization.

► Complete these sentences with your own ideas about your daily routine:

1. I love it when my manager... _____.

2. I find it boring to... _____.

3. I hate it when my computer... _____.

4. It gets on my nerves when my phone... _____.

 2. She is **dealing with** a lot of pressure from her parents.
- ▶ **Practice:** What is one thing you are **dealing with** at school or work right now?

- ▶ **Travel and Transport**
- ▶ **Goal:** Learn how to navigate airports and give clear directions to anyone, anywhere.
- ▶ **Why it matters:** Even with GPS, you need to understand signs and talk to locals when technology fails.

► At the Airport: The Departure Phase

► Before you fly, you need to navigate the terminal.

1. **Boarding Pass:** Your ticket to get on the plane (digital or paper).
2. **Departure Lounge:** The area where you sit and wait for your flight.
3. **Carry-on:** The small bag you take *inside* the plane with you.
4. **Gate:** The specific door where you enter the airplane.

► At the Airport: The Journey

- Travel isn't always a straight line!
- **Layover**: A short stay in an airport between two flights
- Example: I have a 3-hour layover in Dubai.
- **Terminal**: A large building at an airport where passengers arrive and depart.
- **Check-in Desk**: Where you give your large suitcases to the airline.
- **Security Screening**: Where they check your bags for safety.

► Describing the Airport Experience

1. I love it when the departure lounge has free Wi-Fi.
2. I find it stressful when I have a very short layover.
3. It gets on my nerves when people bring too much carry-on luggage.

Prepositions of Place

Where is it? Use these to describe locations precisely.

1. **Opposite:** On the other side of the street/hallway.
2. **Next to / Beside:** Right by the side of.
3. **Between:** In the middle of two things.
4. **Behind / In front of:** To the back or the forward side.

Prepositions of place

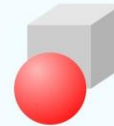

ON

IN

IN FRONT OF

BEHIND

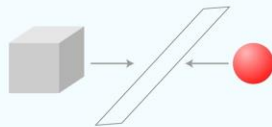

NEXT TO

BETWEEN

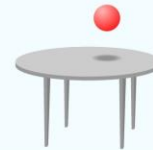

OPPOSITE

UNDER

ABOVE

IN THE MIDDLE

TO THE LEFT OF

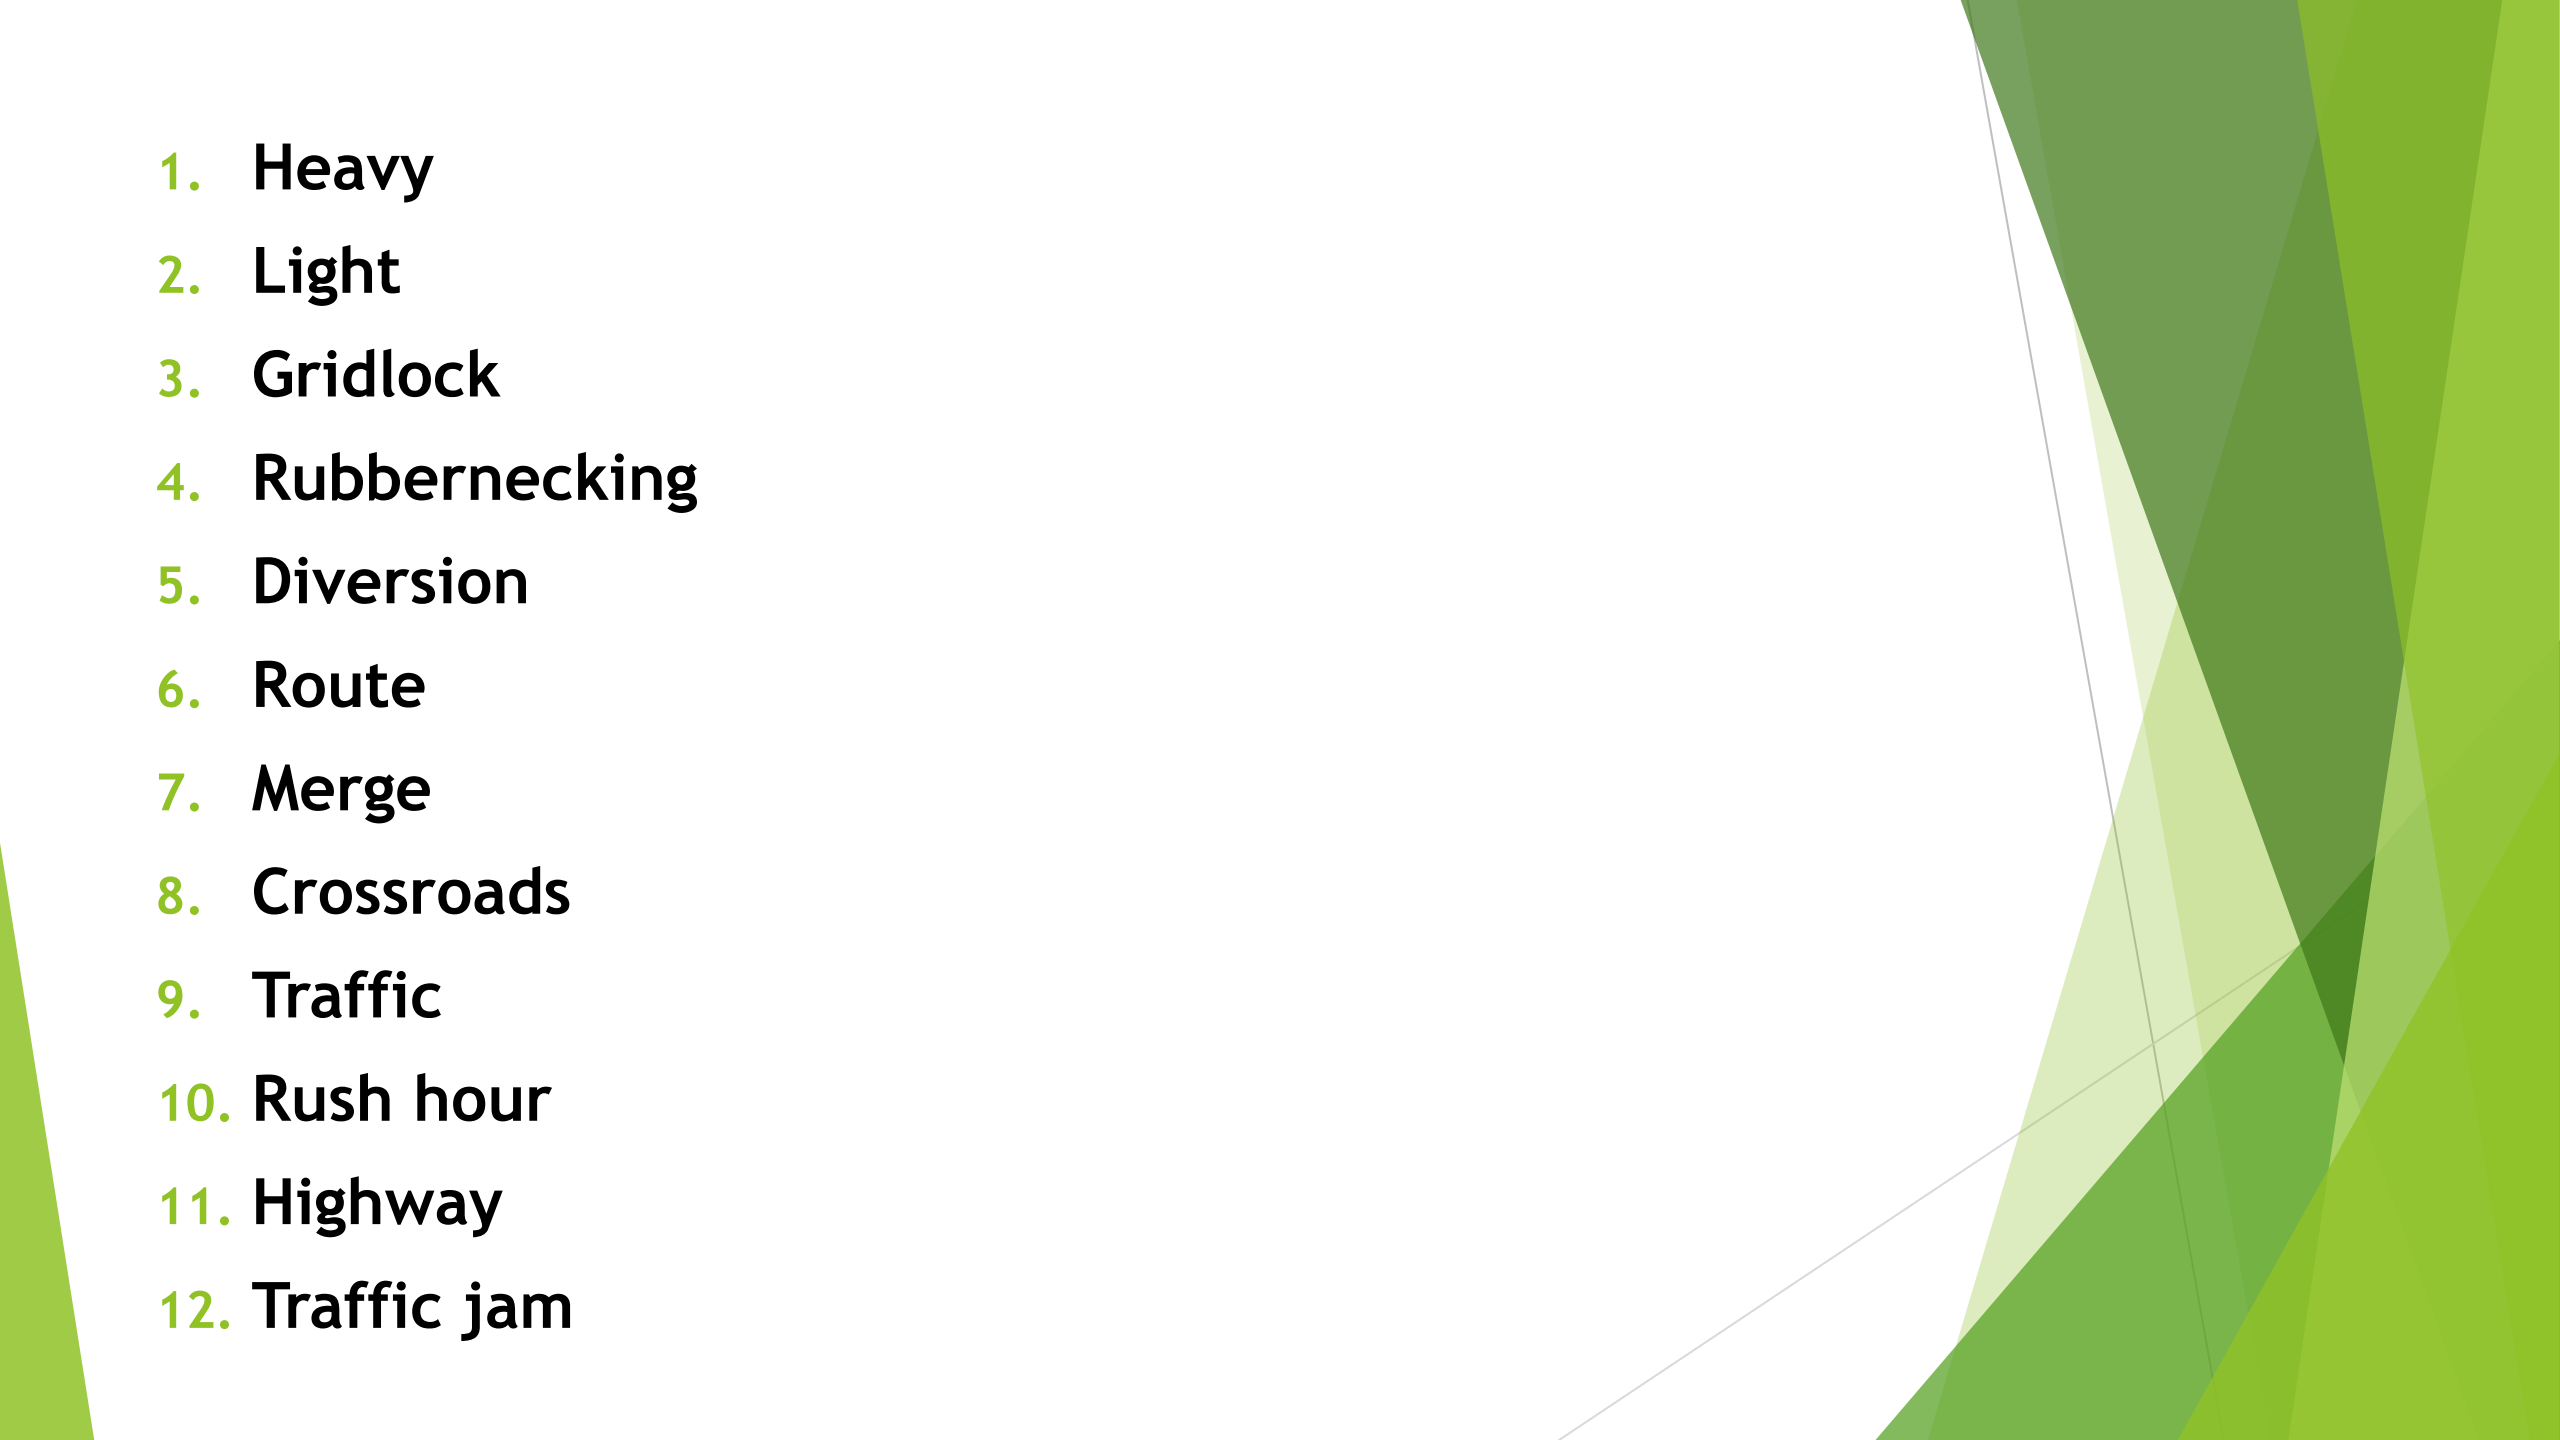

TO THE RIGHT OF

Prepositions of Movement

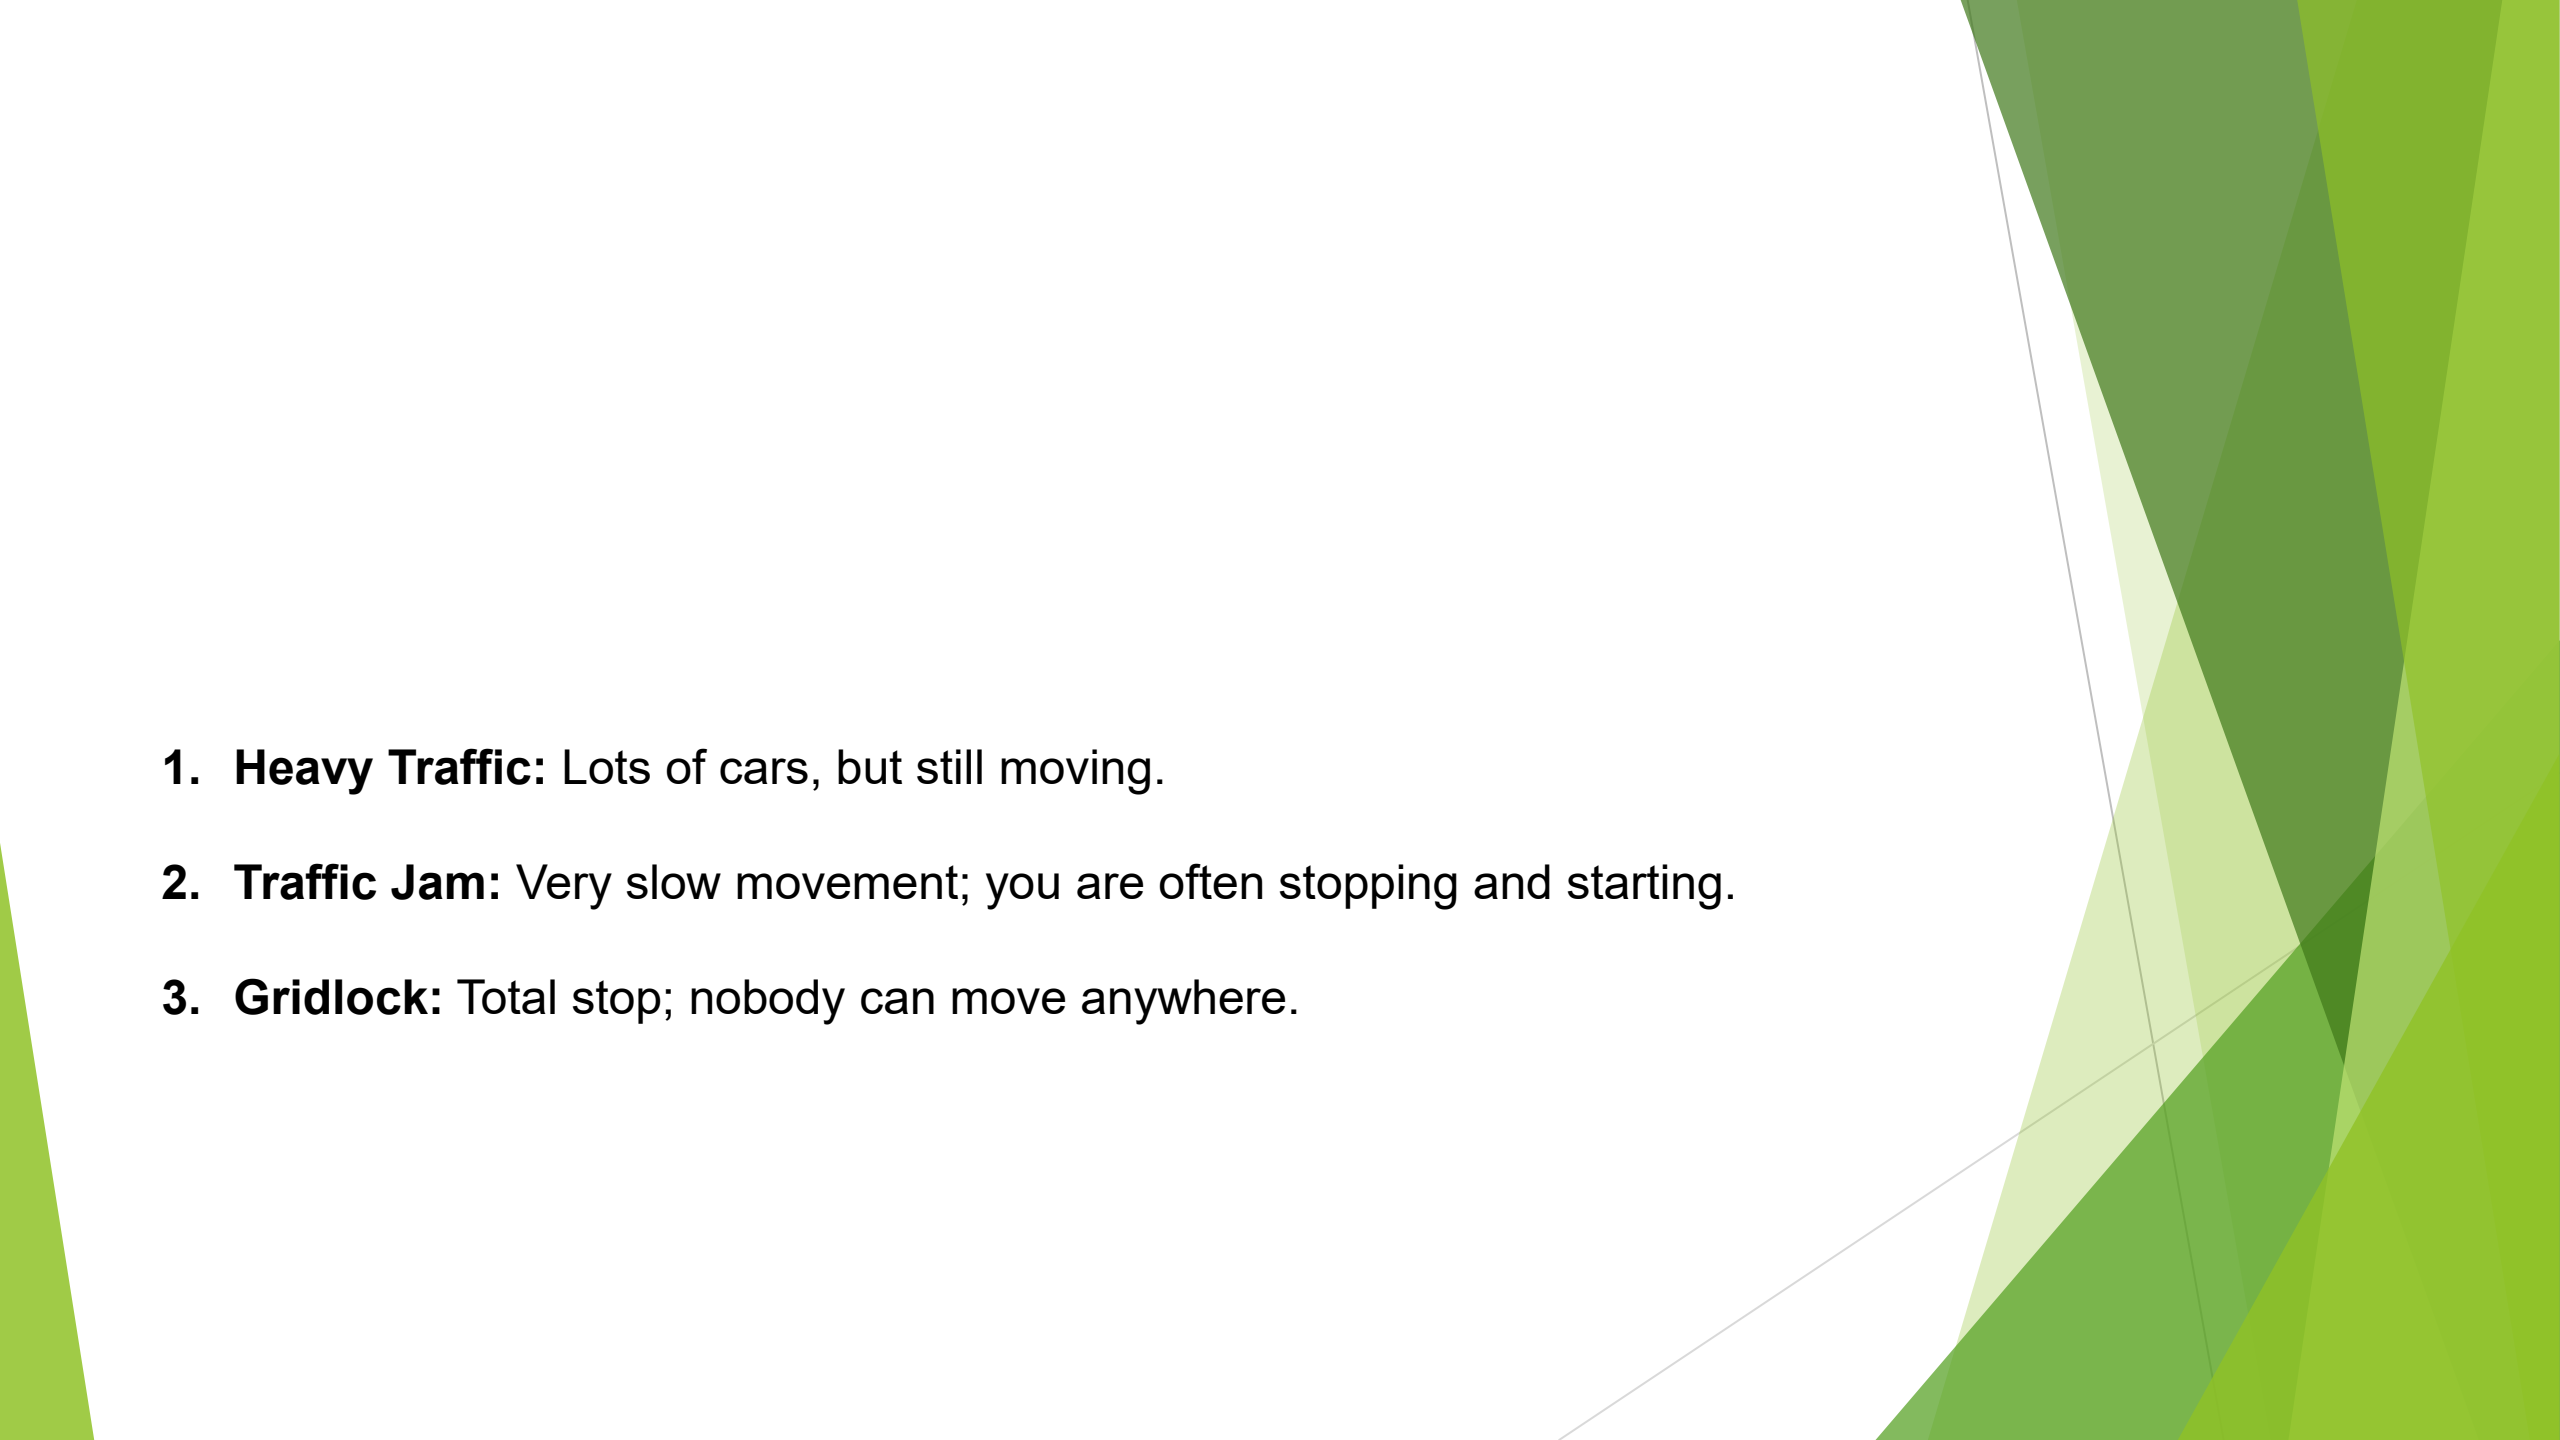

How do you get there? Use these to describe the *action*.

1. **Go past:** Continue walking/driving until you are further than the landmark.
2. **Through:** Enter one side and exit the other (Example: Go through security).
3. **Across:** From one side to the other (Example: Walk across the bridge).
4. **Along:** Follow a line (Example: Walk along the corridor).
- 5.

- 
- The background features abstract, overlapping green geometric shapes in various shades, creating a modern, layered effect on the right side of the slide.
1. Heavy
 2. Light
 3. Gridlock
 4. Rubbernecking
 5. Diversion
 6. Route
 7. Merge
 8. Crossroads
 9. Traffic
 10. Rush hour
 11. Highway
 12. Traffic jam

	Term	Definition	Context/Usage
1	Heavy	Used to describe a high volume of vehicles; traffic is moving slowly.	The traffic is heavy this morning.
2	Light	Used to describe a low volume of vehicles; traffic is moving fast.	Traffic is light, so I'll arrive early.
3	Gridlock	A situation where traffic is so jammed that no vehicles can move in any direction.	Often happens in city centers.
4	Rubbernecking	When drivers slow down to look at an accident or something unusual on the road.	This usually causes more delays.
5	Diversion	A different route that cars must take because the main road is closed.	Often called a Detour in the US.
6	Route	The specific path or series of roads taken to get from a starting point to a destination.	GPS is calculating a faster route.

7	Merge	The point where two separate lanes of traffic join together into one lane.	Requires careful signaling.
8	Crossroads	An intersection where two or more roads cross each other.	A four-way junction.
9	Traffic	The general movement of vehicles (cars, trucks, buses) on a public road.	The "flow" of the street.
10	Rush hour	The times of day (usually morning and evening) when traffic is at its heaviest.	When people go to or leave work.
11	Highway	A major, wide public road designed for high-speed travel over long distances.	Also called a Motorway or Freeway .

- 
- The background of the slide features abstract, overlapping geometric shapes in various shades of green, ranging from light lime to dark forest green. These shapes are primarily located on the right side of the slide, creating a modern, layered effect. The left side of the slide is a solid white background where the text is located.
1. **Heavy Traffic:** Lots of cars, but still moving.
 2. **Traffic Jam:** Very slow movement; you are often stopping and starting.
 3. **Gridlock:** Total stop; nobody can move anywhere.

Giving Directions: The Roundabout

The roundabout can be the most confusing part of driving!

1. Take the first exit
2. Turn right immediately.
3. Take the second exit
4. Go straight through.
5. Take the third exit
6. Turn left.

Key Phrase: **Go all the way around the roundabout** and take the third exit.

Complex Landmarks and Directions

Instead of just saying 'turn left', use **landmarks** to be clearer:

1. Go **past** the statue.
2. It's located **opposite** the big blue fountain.
3. Turn right **at** the traffic lights.
4. It's **on the corner of** Main Street and Park Road.

Useful Phrases for Transport

1. Which **terminal** does the flight to London leave from?
2. Is this bag small enough to be a **carry-on**?
3. How long is the **layover** in Madrid?
4. Excuse me, I'm looking for the **departure lounge**.

Activity: The Lost Tourist

The Scenario: You are at the train station. Your partner is a tourist looking for The Hidden Hotel. **The Map Logic:**

1. From the station, **go past** the museum.
2. At the **roundabout**, take the **second exit**.
3. Walk **along** the river for 200 meters.
4. The hotel is **located opposite** the old church, **between** the café and the library.

Prctice: Try to describe the way to your favorite local restaurant using at least three prepositions of movement!

Health and lifestyle

How Do You Feel? Symptoms

When you see a doctor, you need to be specific.

1. **Sore throat:** It hurts when you swallow.
2. **Dizzy:** You feel like the room is spinning.
3. **Shivering:** Your body shakes because you are cold or have a fever.
4. **Swollen:** An area of your body is larger than usual (Example: a swollen ankle).
5. **Prescription:** The official note from a doctor for medicine.

► Sore Throat

1. **Hoarse:** When your voice sounds breathy, raspy, or strained **مبحوح، أو مُجهَد**.
2. **Losing your voice:** When you can only speak in a whisper because your throat is so sore.
3. **A tickle in your throat:** A scratchy feeling that makes you want to cough.
4. **Lump in your throat:** A feeling of tightness, though this is often used to describe feeling emotional.

► **Lump** غصة: تعبير شائع لوصف الشعور بانسداد أو ضيق في الحلق.

► Dizzy

1. **Light-headed:** Feeling like you might faint or lose your balance.
2. **Faint:** To lose consciousness for a short time.

► Shivering

1. **The chills:** When you feel cold and start **shivering**, often at the start of a fever.
2. **Trembling:** Shaking slightly, which can be due to cold, fever, or even fear.
3. **Goosebumps:** Small bumps on your skin that appear when you are cold or shivering.
4. **Teeth chattering:** When your teeth knock together because your body is shaking from the cold.

► Swollen

1. **Inflamed:** When a part of the body becomes red, **swollen**, and hot, usually as a reaction to injury or infection.
2. **Bloated:** Specifically used when your stomach feels **swollen** or full of gas.
3. **Bruised:** When the skin is discolored and slightly **swollen** after being hit.
4. **Puffy:** Used to describe mild swelling, often around the eyes.

Modern Habits

How do we describe our daily routines?

1. **Sedentary lifestyle:** A way of life with very little physical activity (sitting a lot).
2. **To work out:** To do physical exercise (at the gym or home).
3. **To cut down on:** To eat or drink less of something (e.g., sugar or caffeine).
4. **To take up:** To start a new hobby or activity.
5. **Prescription:** the medicines that are described by your doctor after diagnosis.

Vocabulary Check

Which word fits?

1. I spend 8 hours at a desk; I have a _____ **lifestyle**.
2. My knee is _____ after I fell down. It's very big!
3. I want to _____ **sugar** to lose weight.
4. The doctor wrote me a _____ for antibiotics.

Meet: Lazy Larry

Case Study: Larry works 10 hours a day at a computer (**sedentary**). He drinks 5 sodas a day. He feels **dizzy** and has a **sore throat** often because he doesn't sleep. He wants to change.

What are Larry's bad habits?

Healthy Changes

Ask your partner:

1. Is it easy or difficult for you to **cut down on** junk food?
2. Have you ever **taken up** a sport that you now love?
3. What **should** a person do if they feel **dizzy** at work?

Our Changing Planet

To talk about the environment, we need specific terms:

1. **Global Warming:** The increase in the Earth's temperature.
2. **Renewable Energy:** Energy from natural sources like the sun or wind.
3. **To Recycle:** To turn waste (plastic, paper) into new products.
4. **Pollution:** Damage to water, air, or land by harmful substances.

Our Digital Life

How do we describe our relationship with technology?

1. **To Upload/Download:** Putting data onto the internet vs. taking it off.
2. **Privacy Settings:** Tools to control who sees your personal information.
3. **Viral:** When a video or photo spreads very quickly across the internet.
4. **Addiction:** When you cannot stop doing something (e.g., checking your phone).
5. **Wireless:** Technology that sends signals without using cables.

Tech and Environment

Technology can help or hurt the planet.

1. **The Good:** Apps can help us **recycle** better or monitor our energy use.
2. **The Bad:** Digital **addiction** keeps us indoors, and making new phones causes **pollution**.
3. **The Goal:** Using **renewable energy** to power our massive data centers.

Speaking: Tech Debate

The Question: Is Social Media good or bad for us? Before we debate, consider these Future Predictions:

1. Social media **will** make us feel more lonely.
2. Videos about the environment **will** go **viral** and help the planet.
3. We **will** have better **privacy settings** to protect our data.

Activity: The Tech Debate

- *Example:* Social media helps people **upload** videos about **global warming**, which is good!
- *Example:* Phones cause **pollution**, and people have a digital **addiction**.

Useful Debate Phrases

1. I agree/disagree because...
2. In my opinion, technology will...
3. On the other hand, the environment...
4. I'm not sure that...

► **Materials and Patterns**

► To be a smart shopper, you need to know what you are buying.

► **Materials:**

1. **Cotton:** Natural and breathable (T-shirts).
2. **Silk:** Soft and expensive (scarves).
3. **Leather:** Strong and durable (boots/jackets).

► **Patterns:**

1. **Striped:** Lines (like a zebra).
2. **Polka-dot:** Small or large circles.

► **Money Talk**

► Common phrases for the modern consumer:

1. **To afford:** To have enough money to buy something.
2. **Discount:** A lower price than usual (e.g., 20% off).
3. **Out of stock:** The shop has no more of that item.
4. **Receipt:** The piece of paper proving you paid.
5. **To be "ripped off":** (Slang) To pay much more than something is worth.

At the Customer Service Desk

Useful phrases for when things go wrong:

- 1. I'd like a refund, please. (I want my money back).**
- 2. It has a hole in it. or It is torn.**
- 3. It shrank in the wash.**
- 4. I was ripped off; the quality is terrible!**

Dealing with the Shop Assistant

How to respond to a complaint (The 'Difficult' Assistant):

1. *Do you have the **receipt**?*
2. *I'm sorry, that item is **out of stock** now.*
3. *We can't give a refund for **silk** items.*
4. *This was bought at a **discount**, so all sales are **final**.*

Shopping Habits

Discuss with a partner:

1. Do you prefer **striped** or **polka-dot** patterns?
2. What is the most expensive thing you can **afford** right now?
3. Have you ever felt **ripped off**? What happened?
4. Do you always check if your clothes **are made of 100% cotton**?
